

## Leesburg Maneuvering Area and SFRA Refresher

This webinar was developed in an effort to reduce the number of pilot deviations originating in the Leesburg Maneuvering Area. We will cover all the current NOTAMS and regulations for operating in this airspace. Safety is the main goal for any pilot, especially when conducting flight operations in this specific airspace. Join us as we review how to safely and properly fly in and out of the Leesburg Executive Airport in Leesburg, Virginia.

**Directions:** This webinar will be conducted on Zoom. The registration link is below. Once you register, you will receive a verification email with log-in instructions and a password.
